

I am an honors student. Therefore, I agree to:

Be curious

Be motivated

Persevere in solving problems.

Enjoy being challenged.

Be enthusiastic about my education.

Be engaged at all times.

Understand that the goal of the class is to learn.

Be unafraid to make mistakes, since I understand that failure often leads to understanding.

Be accountable.

Maintain the highest level of integrity.

I also understand that one of the goals of the class is to work quickly and accurately. I understand that time may 'run out' before I complete tests. This will not 'stress me out.' I will continue to work to improve my accuracy, knowledge, understanding, and speed.
